WIENER MOZART ORCHESTER ON TOUR

A Legacy of Viennese Music. Designed for a Global Audience.

Founded in 1986, the Wiener Mozart Orchester represents classical excellence rooted in Vienna's most iconic concert venues, including the Musikverein Wien and the Vienna State Opera, where the performances are dedicated to Wolfgang Amadeus Mozart. Performing with around 30 musicians, the orchestra welcomed more than 210,000 visitors to 170 concerts in 2025, confirming its position as one of Vienna's most successful classical ensembles.

In 2024, the orchestra expanded its artistic portfolio with a dedicated program celebrating the Viennese Waltz King Johann Strauss: the Strauss Dinner Show, hosted at the Mirage Eventlocation in Vienna's Prater. Due to its success, the Strauss Concert Show began touring internationally in 2025, bringing the spirit of Viennese waltz culture to audiences around the world.

In addition, the orchestra introduced another exclusive program, hosted by soloists of the Wiener Mozart Orchester, taking place at the historic Palais Auersperg. This program offers highlights of the most famous and iconic composers of classical music.

This diverse range of formats enables the orchestra to meet the expectations of music-loving clients from all over the world—whether in Vienna or on international stages. Renowned soloists and conductors collaborate with the Wiener Mozart Orchester, including members of the Vienna Philharmonic and the Vienna Symphony Orchestra. Singers from leading opera houses such as the Vienna State Opera and the Vienna Volksoper regularly appear with the ensemble. Beyond its sold-out concerts in Vienna, the orchestra has performed internationally across Europe, South America—including the Copacabana—as well as in Japan, China, and many other major cultural destinations worldwide.
